called the following points:—

Packets are to be formed in the office of the Supdt. of Stamps Manufactory of—

(a) (i) 500 sheets each in the case of paper for general stamps.

(ii) 100 sheets each in the case of Court-fee labels & Receipt stamps.

(iii) In the case of adhesive stamps, the indents should be for full sheets and not for spare labels &c. &c.

Rule 51 lays down that General and Court-Fee stamps of a value of Rs. 50 and of a lower value shall be sold to licensed vendors, provided that the value sold to any vendor at one time shall not be less than Rs. 25, which, in special cases, may be reduced to Rs. 10.

The same rule further gives the rates of discount allowed to vendors.

5. (1) As regards (1) the Comptroller's suggestion that the same rates of discount as are allowed in the case of Court Fee Stamps may be sanctioned in the case of Copying Sheets also, may be approved.

6. As regards ii it is seen that there is a minimum limit fixed in the case of General & Court fee Stamps & that is, the value sold to any one Vendor at one time shall be not less than 25 Rs. (10 Rs in Special Cases). There is greater reason to fixing a Rs minimum limit to the sale of Copying Sheets also. It may be fixed at 100 or 50 Sheets. The opinion of the Stamp Comr may perhaps be obtained on this point.

SIR,

I have the honour to forward herewith for information copie of the marginally noted correspondence regarding the discount allowable on the new two anna copying sheets and the suggestion of the Deputy Commissioner, Kolar District to issue these sheets to the vendors in packets of 100 sheets each ream being made up of 5 such packets.

2. I presume that the commission proposed by this office is what the Government intended to allow under para (2) of Government Order No. 2538-41-Cts 162-10-2 dated the 1st March 1912.

I have the honour to be,

Letter No.Camp.A from the Offg: Deputy Commissioner, Kolar District to the Comptroller, Mysore Government.

With reference to Government Proceedings os.J.2538-41/Cts.162-10-2 dated 1st March 1912 and J.1794-1805/Cts.119-12-2 dated 27th December 1912, regarding the new copying paper, I have the honor to state that 20 reams of the sheets have been received in the District Treasury from the Superintendent of Stamp Manufactory, and these have been distributed to the several Taluk Treasuries, so that they may be ready for issue to the public through the local vendors, from 1st February '13. The Government order simply directs the distribution of these papers from the Treasuries to the Stamp Vendors for sale in the same manner as other Government Stamp papers. But no orders have been received as to the minimum number of these stamp papers that may be issued from the Treasury to any Vendor at a time and the rate of discount to be allowed to the Vendor in respect of these stamp papers. I request the favour of early instructions in the matter.

2. If I may venture a suggestion, I would propose that the new copying papers be issued to the Vendors in packets of 100 sheets (each ream being made up of 5 such packets) and the Vendors who will sell the stamps in retail to the public at 2 arras per sheet, be allowed discount at the same rate as Court Fee Stamps.

I await your instructions before advising the Taluk Treasuries in the matter.

Sir,

With reference to your letter No.Camp A received in this office on 29-1-'13 regarding the discount allowable to Stamp Vendors on the New 2 annas copying sheets, I have the honour to state that as Government have in their order No.J.2538-41 Cts. 162-10-2 dated the 1st March 1912, directed that these copying sheets be distributed to the Stamp Vendors for sale in the same manner as other Government stamps and as these copying sheets are intended for use in the Courts in the State, the discount allowed for Court fees stamps as prescribed in para 51 of Appendix E to the Mysore Treasury Manual may be allowed also for the copying sheets. The minimum value for which Court Fee stamps shall be sold to the licensed vendors at one time will also apply to copying sheets.

2. In regard to the suggestion made by you that the copying sheets may be issued to the Vendors in packets of 100 sheets each ream being made up of 5 such packets, I beg to state that no such minimum without the sanction of Government can be prescribed by this office. A copy of your letter has, however, been forwarded to the Commissioner of Stamps stating that I agree with your suggestion.

of Stamps in Mysore.

SIR,

I have the honour to forward herewith for information copy of letter No.Camp.A without date from the Deputy Commissioner, Kolar District and of my reply thereto regarding the discount allowable on the new 2 annas copying sheets and the suggestion of the Deputy Commissioner to issue these sheets to the Vendors in packets of 100 sheets each ream being made up of 5 such packets.

2 The suggestion of the Deputy Commissioner to issue the sheets in packets of 100 sheets, seems to be good as it will facilitate the calculation of discount and relieve the treasuries from having to comply with frequent requisitions from the Vendors. If the issue of not less than 100 sheets at a time will cause hardship to the Vendors they may be sold in packets of 50 sheets.

3. Necessary arrangement may therefore be kindly made after obtaining the required sanction of Government.

4. From the copy of the letter received from the Deputy Commissioner it will be seen that these copying sheets have been forwarded to the Treasuries direct from the Stamp Manufactory instead of from

the office of the Superintendent of Stamps. This is opposed to the rules prescribed in Appendix F to the Mysore Treasury Manual. I would therefore request you to make necessary arrangements to bring the present issues on the Registers of the Superintendent of Stamps and to make future issues through the Central Depot only. The action taken may kindly be intimated.
